Occupational Therapy Month October 2016

Whereas the Canadian Association of Occupational Therapists and the Ontario Society of Occupational Therapists have declared the month of October 2016 to be known as National Occupational Therapy Month; and

Whereas the profession of occupational therapy, a regulated health profession over 5,000 strong in Ontario, is concerned with promoting health and well-being through occupation; and

Whereas the services of occupational therapy enable people of all ages and abilities to participate in the activities which give meaning and purpose to their lives by working to overcome obstacles that present involvement in life's occupations; and

Whereas the health and well-being of all Ontarians is dependent on access to occupational therapy services in Kenora, in community agencies, hospitals, long-term care homes, rehabilitation centres and clinics, Family Health Teams and other primary care agencies, schools, social agencies, industry or private practice;

Now Therefore, I, David S. Canfield, Mayor for the City of Kenora, do hereby proclaim October 2016 as **National Occupational Therapy Month** in and for the City of Kenora and call upon all citizens to recognize the achievements and contributions of these valued health professionals.

Proclaimed at the City of Kenora this 13th day of September, 2016

Mayor David S. Canfield
