

OSOT in collaboration with the Multiple Sclerosis Society
Presented:

Multiple Sclerosis & The OT

Archived Webinar:

Presenters: **Carolyn Alma** - OT, **Janet MacNeil** - client and
Angela Covert - representative from the MS Society

Participants will learn about:

- What multiple sclerosis is
- Statistics on MS in Canada (and Ontario specifically)
- How specific symptoms of MS impact how an OT may provide care and assessment of needs
- Psycho-Social impact of MS diagnoses
- Research, treatment and medical updates
- MS Society of Canada services and resources offered specifically funded program that require an OT assessment
- Client testimonial
- The 'OT perspective' – discussion including resources, OT goals, barriers to achieving OT goals, etc.
