

ARCHIVED WEBINAR:

Psychotherapy Supervision for OT's: Beginning The Dialogue

Ontario Society of Occupational Therapists

PRESENTED BY: Lisa Detwiler BSCOT, OT Reg. (Ont.) and Colleen Good MSc OT Reg. (Ont.)

Lisa Detwiler has 17 years of experience working in a wide range of mental health settings including hospitals, community, case management, outpatient and private practice. She is a graduate of the Gestalt Institute of Toronto with training and supervision in gestalt psychotherapy and mindfulness practice. Colleen

Good has 10 years of experience working with clients with mental health and addiction issues. She has a certificate in the Foundations of Psychodynamic Psychotherapy at the Centre for Training in psychotherapy and has been an active member of the OSOT Mental Health special interest group for 10 years.

This webinar will strive to:

- Define psychotherapy supervision and outline universal competencies
- Enhance clinicians knowledge of standards and competencies for psychotherapy supervision
- Explore why psychotherapy supervision is so timely and crucial in the current OT landscape
- Assist to create a community of practice for OTs to provide psychotherapy supervision

Contact the [OSOT office](#) with any questions.

Ontario Society of
Occupational Therapists

This webinar is designed for OTs working in mental health, chronic pain or similar fields with an interest or a practice in psychotherapy and who are keen to learn about supervision.
