

Liability Insurance: An Essential Component of Risk Management to Protect Your Business and Personal Assets

REGISTER NOW

PRESENTED BY: Andrew Spencer, BA (Hon.)
from LMS PROLINK Ltd.

Join in a **COMPLIMENTARY** Linked-in Lunchbreak webinar with colleagues across the province. Speaker Andrew Spencer will help participants to understand the value of Professional Liability and General Liability insurance, assess their exposures to a potential lawsuit; consider other risk management techniques in addition to liability insurance and to review and discuss claim examples particular to occupational therapists. The target audience for this webinar are self-employed practitioners and business owners.
