

LOOKING FOR A REWARDING WORK EXPERIENCE? Join our exceptional team of Occupational Therapists today with the benefit of flexible work days and hours.

### **Your Role with Manninen Occupational Therapy Services**

Currently looking for a case manager/occupational therapist for motor vehicle accident cases including Catastrophic and non-Catastrophic cases along with private referrals. The role involves in-home assessments, attendant care assessments, creation of comprehensive, individualized treatment programs to improve function and quality of life.

Case management role involves managing team members and supporting clients and their family through the insurance and rehabilitation process.

### **Job Description / Responsibilities**

- Provide comprehensive assessment & treatment to clients with soft tissue, traumatic brain injury, mental health disorders, spinal cord, amputation, and complex injuries
- Complete attendant care needs and housekeeping abilities assessments
- Perform comprehensive job analysis and develop and monitor gradual return to work programs for physical, cognitive and psychosocial clients
- Perform home modification assessments and facilitate required work with experienced contractors and landscapers
- Provide case management services for catastrophic cases
- Ensure coordinated delivery of care through ongoing communication with client, rehabilitation team members, insurance and legal teams.
- Case load would involve case management, occupational therapy assessment and treatment.

### **Skills and Qualifications:**

- Must be a regulated health professional and be registered with your provincial college, such as the College of Occupational Therapy of Ontario
- Ability to work both independently as an independent contractor, as well as part of a multi-disciplinary team.
- Friendly, professional demeanor with strong interpersonal skills
- Knowledgeable of the SABS auto insurance system and benefits
- Excellent verbal and written communication skills with attention to detail.
- Valid professional liability insurance
- Valid Driver's License with access to a reliable vehicle

- Minimum two year's work experience with one-year working in the auto insurance industry.
- Position is sub-contractor with part-time hours. Job may progress to full-time hours.
- Salary is commensurate with experience

This position is best suited for the mature clinician looking to find control over workload and life balance. Manninen Occupational Therapy Services prides itself on providing high quality service within a supportive and accommodating work environment.
