

Occupational Therapist (Full-time Contract)

THRIVE Child Development Centre/Centre de développement de l'enfant is an incorporated, non-profit Children's Treatment Centre employing more than 50 staff including but not limited to Occupational Therapists, Physiotherapists, Speech-Language Pathologists, Social Workers, Therapy Assistants, Early Childhood Educators, Early Learning Resources Consultants and many Administrative support staff. THRIVE provides inter-disciplinary pediatric rehabilitation services, respite care coordination, an inclusive on-site child care program and resource support to other community child care centres in Sault Ste. Marie and throughout the District of Algoma as well. Our philosophy of service delivery upholds family-centredness as an integral part of effective intervention. Our services support the long-term outcomes of community participation and quality of life.

If you are seeking a dynamic and challenging role in supporting the development of children and youth with a variety of physical, developmental and communicative challenges, THRIVE has a position for you. Using a family-centred, strengths-based approach, you will join our experienced and dedicated professional team in providing a range of assessment, intervention and community based services.

THRIVE currently requires an Occupational Therapist on a full-time contract basis (duration yet to be determined). This position supports children & youth in Sault Ste. Marie and the District of Algoma. As the successful candidate, you will have a Bachelor's or Master's Degree in Occupational Therapy and will be eligible for membership in the College of Occupational Therapy of Ontario. The successful candidate will require a valid driver's license, access to a reliable vehicle, and will be certified in first aid and CPR. The ability to provide services in both official languages would be an asset.

Benefits include a competitive salary, paid sick days, and contribution to a leading industry pension plan. Eligibility for a moving allowance will be considered.
