

Ontario Society of  
Occupational Therapists

## OSOT Seniors Mental Health Team

**Chairs: Jennifer Siemon & Emma Saltmarche**

Melanie Taylor  
Mary Martineau  
Heather McDonald

### Objectives 2017 – 18

- Develop new Team structure and recruit members to address opportunities to advance occupational therapy practice focused on seniors mental health
- Monitor and identify issues/opportunities affecting occupational therapists whose practice focuses on seniors mental health and assist in the identification of strategies to address these
- Link with (at least) three other OSOT teams to learn of their objectives, discuss current projects/work being undertaken, and explore potential alignment/areas for collaboration.
- Expand membership of this Team by three new members representing diverse geographical regions.
- Review the OSOT Mental Health Practice Resource page (on website), assess for utility with respect to Seniors Mental Health resources, discuss and propose possible revisions or enhancements (organization, content).

\* Interested in seniors mental health? Why not get involved in advancing OT practice in this practice focus! We're recruiting membership for this Team. Contact [osot@osot.on.ca](mailto:osot@osot.on.ca).
