

Occupational Therapist: Chatham-Kent Region, Sarnia/Lambton Region, Kitchener/Waterloo area

Full Time/Part Time

If you're an enthusiastic OT professional who is eager to make a difference while achieving personal and professional growth, CBI Home Health has an exceptional opportunity for you to meet these goals, supported by one of the largest healthcare networks in Canada.

We are currently seeking **Occupational Therapists** to work as an **Independent Contractor in the community.**

If you live in the Windsor, Chatham, Lambton area and/or Kitchener-Waterloo or looking to relocate to a great community, apply now!

PRIMARY DUTIES

As an Occupational Therapist, you will:

- Work as part of a multidisciplinary team to deliver excellent client outcomes
- Provide assessment and treatment to a wide variety of adult clients with varying needs
- Provide impartial home safety assessments, client education, and consultation to home, as required
- Work closely with the team and other resources to develop new programs to meet identified client needs
- Network with internal and external stakeholders to promote new and existing programs
- Perform regular, timely charting, reporting and communication
- Record workload measurement data
- Attend staff meetings and case conference meetings, as required
- Provide professional services to other CBI facilities or departments, as required

QUALIFICATIONS

To take on the role of Occupational Therapist, you must:

- Be passionate about your profession and committed to ongoing professional development
- Bring at least 1-2 years of experience (an asset)
- Have community experience (an asset)
- **Be registered as a member in good standing with the College of Occupational Therapists of Ontario**
- Thrive in a fast-paced, changing environment
- Be dedicated to providing the highest quality of client care
- Have strong skills in critical thinking, decision-making and analysis
- Have excellent time management and organizational skills and be able to work independently
- Be comfortable working collaboratively within an interdisciplinary team
- Have excellent oral and written communication skills
- Be empathetic with an effective ability to build rapport with patients
- Be proficient in the use of Microsoft Word and Excel
- **Hold a valid driver's licence and have access to a reliable vehicle.**

- Be able to work both independently and as part of a team, and to facilitate our clients' needs by exceeding their goals.
 - Reside in the Windsor, Chatham, Lambton area, KW or looking to relocate.

About CBI Health Group:

CBI Health Group is Canada's largest provider of integrated community healthcare. For over 40 years, we have remained totally committed to improving the health and enriching the lives of Canadians.

What sets us apart is our ability to work as a unified network dedicated to the ongoing learning that allows us to foster best practices, improve access to care and create better results for our patients. We organize our teams and services to ensure the right professionals and caregivers provide the right service, at the right time, in the right place.

In over 250 facilities, our services are provided by a dedicated team of more than 11,000 administrators, support staff and caregivers that include physiotherapists, occupational therapists, registered massage therapists, kinesiologists, chiropractors, speech-language pathologists, psychologists, physicians, nurses, dietitians and behaviour therapists.

The CBI group of companies includes CBI Health Centres, CBI Home Health, We Care Home Health Services, Monarch House, CBI Workplace Solutions, and CBI Assessment Services. Our expanding transitional and residential community care network now numbers more than 60 homes nationwide.

At CBI, our people really care and believe that by working together, we can aim higher and make great things happen every day.
