

Galit Liffshiz & Associates is a Toronto based independent rehabilitation firm providing services to severely injured people including traumatic brain injury, spinal cord injury, severe orthopedic injuries and mental health issues. We are servicing a large area of Ontario.

Our company provides attendant care assessments, discharge planning for clients in hospital or rehab settings, community based treatment to return clients to ADLs, cognitive assessments, case management services, OT Catastrophic Assessments, Future Care Costs, home renovations for wheelchair accessible housing, and Return To Work assessments and.

We offer a supportive work environment, competitive remuneration and the flexibility to manage your own work schedule and caseload.

We currently have openings for full time Occupational Therapists.

Responsibilities will include:

- Providing client assessment in a community setting based on presenting impairment, disability or handicap, using standardized assessment tools
- Designing a treatment plan using evidence based information, relevant best practice guidelines and clinical expertise
- Actively engaging clients, families and caregivers to address client centered goals
- Linking clients/caregivers with appropriate community partners/services/agencies
- Evaluating and documenting the effectiveness of the intervention, client's response and progress towards goal attainment
- Completing clinical records according to standards
- Communicating effectively with clients, families, referral sources including team members and office staff.

Qualifications:

- Post-Secondary education in Occupational Therapy
- Minimum 3 years' experience in occupational therapy
- Strong writing and communication skills
- Valid driver's license with access to reliable vehicle
- Computer skills
- Critical thinking and decision making
- Effective time management and organizational skills
- Experience working under the Statutory Accident Benefits Schedule (SABS) will be considered an asset.
