

## POSITION: OCCUPATIONAL THERAPIST

---

The Ottawa Institute of Cognitive Behavioural Therapy (OICBT) is looking for an Occupational Therapist to provide services to individuals experiencing a variety of difficulties (e.g., mood and anxiety problems, life stressors, emotion dysregulation, addiction, etc.). The primary role of this position will be to help clients implement exposure and functional strategies as part of the treatment they are receiving in group CBT. The successful applicant will be involved in all aspects of occupational therapy treatment and care of patients and will work in collaboration with other health professionals.

The OICBT was established in 2009 and has more than 25 clinicians who provide a range of services including individual and group CBT, psychodiagnostic assessments, and intensive treatment for OCD and anxiety disorders. For more information about our clinic visit our website: [www.ottawacbt.ca](http://www.ottawacbt.ca)

Salaried and/or contract positions may be available. Start date: March or April 2019.

### Required Qualifications

- Practicing member in good standing with the College of Occupational Therapists of Ontario
- Masters Degree
- Valid professional liability insurance
- Training and experience in CBT
- Have a car and valid driver's licence

### Preferred Qualifications

- Fluent in English and French
- Experience in Rehabilitation
- Ability to work independently and with members of an interdisciplinary team

### Applicant Information

Applicants must provide a cover letter that clearly indicates that they meet the required qualifications, a recent CV and two letters of reference. Please send all relevant documents to Dr. Connie Dalton: [conniedalton@yahoo.ca](mailto:conniedalton@yahoo.ca)

Applications will be reviewed as they are received.
