

## Full-time or Part-time

Rehab Results is seeking Occupational Therapists in the **Greater Toronto Area** with experience in the Auto Insurance Private Sector.

### Are you:

- Interested in working in the Private Sector (e.g. auto insurance, workplace accommodations, etc.)?
- Someone with experience in this area?
- Someone that likes to learn and develop professionally?
- Someone that likes the freedom of community work?
- Someone that wants to be part of a cohesive team?

### We commit to:

- Coach you to ensure that your work meets the highest standards.
- Provide team support.
- Provide attractive compensation.

**Company Profile:** Rehab Results Inc is an OT owned and operated company that has been in business for 19 years. Our multi-disciplinary team includes OTs, PTs, case managers, psychologists, neuropsychologists, medical specialists, rehabilitation support workers and personal support workers. We have a close-knit core team of therapists that support each other and have fun together. We value personal growth and work/life balance to ensure the ongoing well-being of our valued team members. We are seeking a career oriented occupational therapist who wants to be a part of our growing business. We offer extensive training and supervision as well as opportunities for advancement. We seek OTs with an eagerness to learn and develop their professional skills. We are currently recruiting for an OT to serve the eastern Greater Toronto Area.

**Services Provided:** Occupational therapists may provide any of the following services:

- In-home functional assessments
- Treatment (MSK, TBI, SCI, chronic pain and psycho-social/psychiatric)
- Case management
- Life Care Planning (we will help you get certified)
- Workplace assessments and accommodation

**Specifications/ Qualifications** University degree and registration/ license with professional regulatory college (i.e. COTO). Membership in applicable professional associations. A minimum three years of clinical practice. Community experience is considered an asset. Education and experience specific to the client population (e.g., ABI, SCI, orthopaedics, neurology). Current driver's license, insurance and access to a vehicle are required. Access to a computer and proficiency is required. ADP authorization status is an asset. Fluency in a second language is an asset.

**Compensation:** Compensation will be commensurate with experience. This is available as either a contract or salaried position.
