

Home Modification and Aging in Place: What are the Opportunities for OTs?

Lesya Dyk

A Webinar Presented By:
Lesya Dyk OT Reg. (Ont.)

This webinar will provide OTs working in home modification, or OTs who are interested in transitioning into this field, information regarding changes in the marketplace and exciting opportunities.

Join our presenter on December 12th as she discusses:

- The 'Silver Tsunami' that's upon us
- Older Canadians who would like to age in place but do not know how
- The ill-prepared government in facing this health crisis
- Supporting families with adults in the 'sandwich' generation

About our presenter:

Lesya Dyk is an occupational therapist and graduate from McMaster University in 1989. She has been in private practice since 1998, and is currently President and Clinical Director of Lesya Dyk O.T. Services Inc., a company that offers complete occupational therapy services to those injured in motor vehicle accidents, as well as those of the aging population. Over the years, experience in assessing and implementing home modification for clients has brought Ms. Dyk into the realm of home modification. Ms. Dyk currently sits on the Home Modification Council at the Canadian Home Builder's Association as the CAOT representative. She is past President of the College of Occupational Therapists of Ontario for three consecutive terms, ending in 2014. She was a member of the Ontario Society of Occupational Therapists Board of Directors as Treasurer until October 2018.

Target audience:

- **Applicable To Any Level**
- Occupational therapists working/looking to work in home modification, aging in place
