**Do not forget to complete, sign and return your Member Data Survey Form with your application. Please note that failure to complete the required information will result in a membership processing delay. Your form may be returned to you for completion.**

Name: \_\_\_\_\_

The Ontario Society of Occupational Therapists (OSOT) maintains a membership database that includes detailed information about members' professional practice and employment. This information is most often used as consolidated data pulls that enable OSOT to track trends, report statistics to members, government and payors and to develop member services to fit member needs. Information may be individually selected for the purposes of facilitating networking, identifying experts, professional referrals, etc. as per your consent to release information on reverse.

**This data is important. Do not forget to complete, sign and return this Member Data Survey Form with your application. Failure to complete required information will result in a membership processing delay. Your form may be returned to you for completion.**  
**PLEASE SIGN RELEASE ON NEXT PAGE**

**EMPLOYMENT AND COMPENSATION**

As a provincial association, it is critical to monitor employment patterns and compensation information to ensure that OSOT's professional advocacy is supported by data. Data also supports OSOT's fee negotiating activity and response to member enquiries regarding compensation trends.
