The Challenges of Dementia Care: Are We Doing The Right Thing?

**PRESENTED BY: Sylvia Davidson MSc; OT
Reg.(Ont.)**

Join in a Linked-in Lunchbreak webinar with colleagues across the province! Sylvia will engage participants to consider the challenges of dementia care from an occupational therapy focus. She will encourage the audience to consider how we can maintain a client-centered focus in the face of cognitive impairment and how we can balance the risks.

The target audience for this webinar is occupational therapists and occupational therapy students who are working in dementia care as well as those who wish to learn more about this exciting and dynamic field.

About our presenter:

Sylvia Davidson is a Professional Practice Chief of Occupational Therapy at Baycrest Centre for Geriatric Care. Recently, she has joined the board of OSOT. She is also Chair of a CAOT Dementia network, which has as its mission, building capacity and supporting occupational therapists working in dementia care.

Fees for all 'Linked-in Lunchbreaks: Promoting Practice Excellence' webinars are as follows:
