

Just in time for OT Month!

What better way to shout out your professional pride
than with these non-medical masks!
The accessory every OT will be wearing this fall!

With 2 moisture wicking cotton layers and a third removeable filter layer (2 filters included), this mask is comfortable *and* promotes occupational therapy.

Washable, wrinkle resistant, and reusable, the mask has adjustable ear loops and nose bridge, and is sanitized and individually packaged. The message stands out on a light blue background about the colour of this block.

\$12.95 each

Watch for ordering instructions –
store opens week of October 5th!
