Liability Insurance

# 03 | PROFESSIONAL LIABILITY INSURANCE

COTO requires you to have proof of Professional Liability Insurance (PLI) to register and practice as an occupational therapist in Ontario

# WHAT DOES PLI COVER?

# OSOT's PLI plan includes:

- Sexual Abuse Therapy and Counseling Fund Endorsement (required by COTO)
- Professional Liability Protection for Errors and/or Omissions
- Legal Expense Reimbursement
- Cyber and Privacy Liability
- Virtual Care/Telepractice (conditions apply)
- Support personnel and students

PLI plans are also offered by AON and CAOT, all approved by COTO

Finding a job

# **JOB SEARCH**

- Occupational therapy is a steadily growing profession in Ontario and across Canada
- Search for jobs that fit your strengths, skills, qualifications, and interests
- Research the companies you are interested in
- Job posting sites
  - o OSOT
  - CAOT
  - Government of Canada
  - Indeed
  - Glassdoor
- Expected wages and job prospects
  - OSOT Member Profile Report (2020)
  - Government of Ontario Labour Market Information
  - <u>Canadian Occupational Projection System (2022-2031)</u>

# PREPARING YOUR RESUME (More info: Healthcare resume tips)

- Customize your resume and cover letter to match the job description and company
  - Tell them what drives you, what your interests and passions are
  - Explain why you are a good fit based on your experiences, skills, and knowledge
- Highlight your accomplishments/experiences in reverse chronological order (set a 2-page limit)
  - Proofread!

# Important headings

- Name/contact information, professional summary/objective, skills (soft/hard), education and certifications, work experience, clinical placements, volunteer work, research
- Before you apply...
  - Ensure your LinkedIn profile is also updated
  - Check that your online presence is clean
  - Have a <u>professional email</u> (e.g., firstname.lastname@domain.com)
- You only need a CV if you plan to pursue a role in academia

### INTERVIEWING

### Preparation

- Do your research to understand the organization and the job you are applying for
- Think of specific, detailed examples and structure them to tell a coherent story
  - STAR (situation, task, action, result/reflection)
  - CAR (context/challenge, action, results)

### Common types of questions

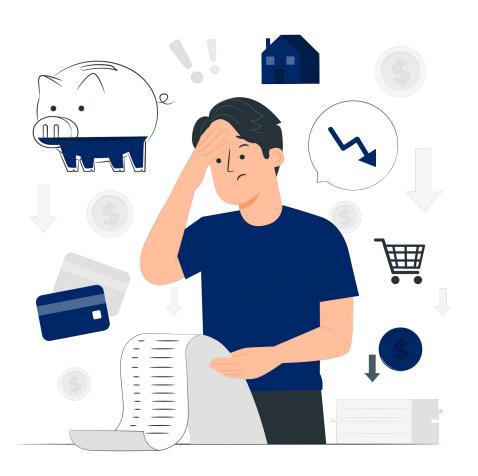

- Behavioural
- Scenario/situational (apply the CPPF!)
- Technical/competency
- General

### Questions to ask employers

- When they expect to hire, onboarding process, supports available for employees
- Expectations for team members, hours, what a typical day/week looks like
- Departments you will be working with, mentorship opportunities,
- Core values of the company, qualities required to succeed
- Preparing for a Job Interview as an Occupational Therapist, The Complete Guide to your First OT Job Interview

# **SELECTING A JOB**

- Your first job offer may not be your "dream job," but is a great learning opportunity and your chance to enter the system
- Remember: where you start isn't necessarily where you will end up
- Salary negotiation
  - Discuss once the employer brings it up and negotiate for a fair wage
  - Research and have a salary/hourly wage in mind
  - Consider benefits, vacation, pension, growth opportunities, alignment with career goals
- If you are interested in starting your own private practice...
  - OSOT Private Practice Resources
  - Consider your level of experience and competence in the area of practice you wish to work in, know your market
  - Ensure you have sufficient insurance
  - Stay connected and network with other OTs
