MEMORANDUM

Date: October 15, 2020

To: Assistive Devices Program Registered Vendors

From: David Schachow, Interim Director, Assistive Devices Program (ADP)

Subject: eSubmission – Secure Electronic Submission of Claims

On October 7, the Hon. Prabmeet Singh Sarkaria, Ontario's Associate Minister of Small Business and Red Tape Reduction, [announced](#) that the ADP will be implementing online uploading of applications for ADP-funded devices.

Secure electronic submission of claims is the second phase of eSubmission, building on e-Invoicing that was instituted in February 2020. Electronic submission of vendor claims will be through the same digital channels used for invoice submission.

Beginning in December 2020, vendors registered with the ADP will be able to submit their claims electronically through these channels.

Further details including the exact date of implementation and the technical specifications will follow.

We look forward to working together to deliver simpler, faster and better services to all Ontarians through enhanced electronic business delivery.

Sincerely,

(original signed by)
