About the Ontario Society of Occupational Therapists (OSOT)

The Ontario Society of Occupational Therapists (OSOT) is the provincial professional association of occupational therapists (OTs) and occupational therapy students living and/or working in Ontario. OSOT represents and serves its members to assist them to best meet the needs of the individuals they serve, and to experience valued roles in the province's health care system. Over **4,600 members** strong, OSOT plays an important role in shaping the practice of occupational therapy and shares the voice of occupational therapists with the public, government, and other stakeholders.

Present Your Poster at the 2023 OSOT Conference!

Are you a student occupational therapist, post-graduate student, PhD student, clinician, or academic conducting research? We would love for you to submit your poster presentation proposal. Your topic could add great value to our 2023 conference program. The 2023 OSOT conference will be hosted at [RBC Place London](#) from **October 27-28, 2023**.

Poster presentations will be held in the exhibit hall. No specific time-slots are allocated for presentations. Presenters are asked to present during the exhibit hall reception on Friday October 27 and during delegate meal/break times on Saturday October 28. Exact times to be confirmed in July 2023. **Note:** OSOT will provide a poster board and presenters will bring a hard copy of their poster.

Submission Deadline: July 31, 2023

Questions? Contact Seema Sindwani, OT Reg. (Ont.), Manager, Professional Practice at ssindwani@osot.on.ca.
